**CONSTRUIRE LE MONDE DE
DEMAIN**

The background of the poster is a textured, light blue surface. In the lower half, a globe is depicted, also in shades of blue, with some darker blue and brownish streaks representing continents or clouds. Along the top edge of the globe, several brownish-grey silhouettes of human figures are standing, their feet touching the globe's surface. The overall aesthetic is artistic and symbolic, representing global unity and the future.
